CIPEM TRAINING CENTER — EXCELLENCE & VOCATION

Chemical Industrial & Petroleum Engineering & Management • Engineering — Management — Training

Mission & Vocational Commitment of CIPEM

CIPEM (Chemical Industrial & Petroleum Engineering & Management) is a multidisciplinary engineering and continuous vocational training institution approved under official registration number 11-1372-15. We support leading industrial accounts, energy corporations, oil & gas operators, and corporate organizations in qualifying, upskilling, and certifying their technical, operational, and management teams.

Two Structured Core Divisions

▪ **Technical & Industrial Engineering Division (Domains 01 to 22):** Electrical Authorization (NF C 18-510), Photovoltaic Solar Systems, Instrumentation, Mechanics, Welding, Hydraulics, Thermal/HVAC, Civil Engineering, Fire Safety, Industrial Maintenance, Rigging & Lifting, Engineering Software (AutoCAD, CATIA, SolidWorks, HYSYS, CANECO BT/MT), and QHSE Management.

▪ **Management, Finance & Support Services Division (Domains 23 to 35):** Procurement & Logistics, Corporate Taxation, Financial Accounting, Management Control, Legal Affairs, Leadership & Governance, Internal Audit, and Public Procurement.

ADMINISTRATIVE & LEGAL IDENTITY

▪ **Legal Structure:** CIPEM (SARL) • Official Training Approval N° 11-1372-15

▪ **Corporate Registration:** Tax ID: 1322330N/A/M/000 • Commercial Register: 1322330N

▪ **Headquarters:** 24 rue Cyrus le grand le Passage, 1002 Tunis, Tunisia

▪ **Contact Lines:** Phone: +216 71 254 978 • Mobile: +216 98 645 545 • Email: Cipem@cipem.com.tn

PEDAGOGICAL MODALITIES	SENIOR INDUSTRY EXPERTS	OFFICIAL CERTIFICATION
• Inter-company sessions in Tunis. • In-house training on client site. • Tailored programs for your schedule.	• Field-certified senior instructors. • Case-study oriented learning. • NF, API, ISO, IEC standards.	• Official CIPEM certificate issued. • Comprehensive skills assessment. • Eligible for corporate tax credits.

GENERAL TABLE OF CONTENTS — TECHNICAL & INDUSTRIAL ENGINEERING

Click on any domain title to access the full course listing directly

01. Electrical Safety Authorization (NF C 18-510) According to NF C 18-510 Standard	**02. Electrical Installations and Power Networks** High Voltage and Low Voltage Networks (HV / LV)
03. Solar Photovoltaic Installations Solar PV Systems and Renewable Energy	**04. Electronics and Industrial Instrumentation** P&ID Diagrams, Process Control and Instrumentation
05. Industrial Mechanics and Machinery Power Transmission and General Mechanics	**06. Welding and Fabrication** MIG-MAG, TIG, Arc Processes and Weld Inspection
07. Industrial Hydraulics and Pneumatics Hydraulic Circuits, Pneumatics and Regulation	**08. Thermal Systems, Energy and HVAC** Energy Efficiency, Air Conditioning and Refrigeration
09. Civil Engineering and Infrastructure Structural Design, Construction and Site Supervision	**10. Fire Safety and Prevention** Loss Prevention and Firefighting Equipment
11. Industrial Maintenance and Reliability Preventive, Corrective Maintenance and CMMS	**12. Lifting, Rigging and Material Handling** Safe Lifting Operations, Overhead Cranes and Forklifts
13. AutoCAD 2D / 3D Design Computer-Aided Design and Drafting (CAD / DAO)	**14. CATIA — Mechanical Design** 3D Solid Modeling and Industrial Design
15. SolidWorks CAD Modeling Parametric Modeling and Mechanical Assemblies	**16. Aspen HYSYS — Process Simulation** Process Simulation and Optimization for Oil and Gas
17. Power Cable Sizing Software (CANECO) LV and MV Electrical Network Sizing and Calculation	**18. IT Systems and GIS Solutions** Geographic Information Systems and Enterprise Software
19. Health, Safety and Environment (HSE) QHSE Management, Risk Assessment and Industrial Standards	**20. Industrial Quality and Compliance** Quality Management Systems (QMS) and Auditing
21. Production and Plant Operations Production Management and Continuous Improvement	**22. Safety Leadership and Culture** Workplace Safety Practices and Operational Prevention

22 SPECIALIZED TECHNICAL DOMAINS • +300 CERTIFIED COURSES • INTER & IN-HOUSE SESSIONS

Contents Continued: Management, Finance & Support Services Division ▶Next Page

GENERAL TABLE OF CONTENTS — MANAGEMENT, FINANCE & SUPPORT SERVICES

Click on any domain title to access the full course listing directly

23. Procurement, Supply Chain and Logistics Inventory Management, Purchasing and Logistics	**24. Business, Finance and Commercial Law** Contract Management, Commercial Relations and Legal Framework
25. Corporate Taxation and Fiscal Law Corporate Tax, Compliance and Filings	**26. Financial Accounting and Reporting** Financial and Cost Accounting, Balance Sheets
27. Management Control and Budgeting Forecasting, Budgets, Dashboards and KPIs	**28. Corporate and Real Estate Law** Corporate Law, Commercial Contracts and Land Affairs
29. Entrepreneurship and Project Planning Project Feasibility Studies and Execution	**30. Sales and Marketing Strategy** B2B Sales Techniques, Negotiation and Commercial Strategy
31. Human Resources and Training HR Competency Development, Recruitment and Training Plans	**32. Leadership and People Management** Team Leadership, Change Management and Governance
33. Internal Audit and Risk Management Audit Methodologies, Risk Mitigation and Internal Controls	**34. Public Procurement and Tenders** Public Tendering Regulations and Bid Management
35. Corporate Communication and Archiving Business Communication, Records Management and EDMS	

ENROLLMENT PROCESS

- **1. Program Selection:** Choose across 35 domains or request customized syllabus.
- **2. Proposal within 24h:** Immediate transmission of detailed technical & cost proposal.
- **3. Expert Instruction:** Practical case studies led by accredited senior experts.
- **4. Official Certificate:** Accredited certificate issued under approval N° 11-1372-15.

CIPEM COMMITMENTS

- **Official Accreditation:** Authorized training center N° 11-1372-15, eligible for tax rebate.
- **On-Site Deployment:** Sessions delivered at your plants, refineries or field facilities.
- **HR Compliance Support:** Full regulatory documentation and post-training reporting.
- **Direct Liaison:** Phone: +216 71 254 978 • Email: Cipem@cipem.com.tn

01 | ELECTRICAL SAFETY AUTHORIZATION (NF C 18-510) — (Page 1/2)

According to NF C 18-510 Standard • Inter & In-House Training • Approved Center N° 11-1372-15

Course Designation	Duration	Inter	Intra
▪ Electrical Safety Authorization B0 - H0 for Non-Electricians	3D	✓	✓
▪ Electrical Safety Authorization B1 - B2 for Permanent Electricians	3D	✓	✓
▪ Electrical Safety Authorization BC (Lockout/Tagout) for Permanent Electricians	3D	✓	✓
▪ Electrical Safety Authorization BR (General Facility Maintenance) for Electricians	3D	✓	✓
▪ Electrical Safety Authorization H1 - H2 (High Voltage Operations) for Electricians	3D	✓	✓
▪ Electrical Safety Authorization HC (High Voltage Lockout/Tagout) for Electricians	3D	✓	✓
▪ Refresher Safety Training for Non-Authorized Industrial Personnel	3D	✓	✓

PEDAGOGICAL MODALITIES & CERTIFICATE ISSUANCE

▪ **Instruction Method:** Delivered by accredited senior industry professionals, focusing on real-world industrial cases.

▪ **Official Certification:** Accredited certificate of completion issued under government authorization N° 11-1372-15.

▪ **In-House Deployment:** Custom delivery on-site across your operational facilities or in our Tunis training center.

▲RETURN TO CONTENTS

Enrollment & Proposals: +216 71 254 978 • Cipem@cipem.com.tn

01 | ELECTRICAL SAFETY AUTHORIZATION (NF C 18-510) — (Page 2/2)

According to NF C 18-510 Standard • Inter & In-House Training • Approved Center N° 11-1372-15

Course Designation	Duration	Inter	Intra
▪ Refresher Safety Training for Certified & Authorized Electrical Personnel	3D	✓	✓
▪ Electrical Safety Authorization - Initial Certification - Electric & Hybrid Vehicles	3D	✓	✓
▪ Electrical Safety Authorization - Recertification - Electric & Hybrid Vehicles	3D	✓	✓
▪ Regulatory Norms, NF C 18-510 & Technical Compliance for Electrical Installations	3D	✓	✓
▪ Live Working Safety Practices & Operating Procedures (TST - Low Voltage)	3D	✓	✓
▪ Prevention and Management of Electrical Hazard Risks & Arc Flash Protection	3D	✓	✓

PEDAGOGICAL MODALITIES & CERTIFICATE ISSUANCE

▪ **Instruction Method:** Delivered by accredited senior industry professionals, focusing on real-world industrial cases.

▪ **Official Certification:** Accredited certificate of completion issued under government authorization N° 11-1372-15.

▪ **In-House Deployment:** Custom delivery on-site across your operational facilities or in our Tunis training center.

02 | ELECTRICAL INSTALLATIONS AND POWER NETWORKS — (Page 1/2)

High Voltage and Low Voltage Networks (HV / LV) • Inter & In-House Training • Approved Center N° 11-1372-15

Course Designation	Duration	Inter	Intra
▪ Low-Current & High-Current Electrical Systems in Industrial & Commercial Buildings	3D	✓	✓
▪ MV/LV Substation Engineering: From Design to Commissioning	3D	✓	✓
▪ Power Load Sizing and Energy Balance for MV and LV Installations	3D	✓	✓
▪ Earthing Schemes (Neutral Grounding Systems TT, TN, IT): Selection and Implementation	3D	✓	✓
▪ Earthing & Grounding Installations: Engineering, Soil Resistivity & Implementation	3D	✓	✓
▪ MV and LV Electrical Power Cables: Selection Criteria, Sizing and Thermal Derating	3D	✓	✓
▪ Short-Circuit Current Calculation & Analysis in MV/LV Networks (IEC 60909)	3D	✓	✓
▪ Circuit Protection in MV/LV Electrical Systems: Studies, Coordination & Device Selection	3D	✓	✓
▪ Personnel Protection & Shock Hazard Mitigation across Neutral Grounding Systems	3D	✓	✓
▪ Protection Selectivity & Discrimination Studies in MV and LV Power Systems	3D	✓	✓
▪ Electrical Switchboards, Panels & Enclosures: Engineering, Design and Assembly	3D	✓	✓
▪ MV/LV Reactive Power Compensation: Harmonic Analysis & Capacitor Bank Sizing	3D	✓	✓

PEDAGOGICAL MODALITIES & CERTIFICATE ISSUANCE

- **Instruction Method:** Delivered by accredited senior industry professionals, focusing on real-world industrial cases.
- **Official Certification:** Accredited certificate of completion issued under government authorization N° 11-1372-15.
- **In-House Deployment:** Custom delivery on-site across your operational facilities or in our Tunis training center.

02 | ELECTRICAL INSTALLATIONS AND POWER NETWORKS — (Page 2/2)

High Voltage and Low Voltage Networks (HV / LV) • Inter & In-House Training • Approved Center N° 11-1372-15

Course Designation	Duration	Inter	Intra
▪ Active Harmonic Filtering in MV/LV Facilities: Harmonic Mitigation & Filter Sizing	3D	✓	✓
▪ Cathodic Protection for Pipelines, Storage Tanks & Industrial Assets: Design & Monitoring	3D	✓	✓
▪ Lightning Protection Systems (LPS) & Surge Arrester Installations: Design & Testing	3D	✓	✓
▪ Electrical Safety for Personnel: Hazard Identification and Preventative Measures	3D	✓	✓
▪ Electrical Installation Protection: Energy Management and Efficiency Optimization	3D	✓	✓
▪ Advanced Maintenance, Diagnostics and Overhaul of Industrial Electrical Systems	3D	✓	✓
▪ Safety Testing, Insulation Measurements and Safety Verification in Electrical Facilities	3D	✓	✓
▪ Industrial Variable Frequency Drives (VFD): ABB and Siemens Inverter Drive Systems	3D	✓	✓
▪ Electrical Schematics Reading, Single-Line Diagrams & Network Engineering Documentation	3D	✓	✓
▪ MiCOM Protection Relays: Current Curve Selection, Setting, Programming & Testing (Areva/Schneider)	3D	✓	✓
▪ SEPAM Protection Relays: Tripping Curve Configuration, Parameter Setting & Programming	3D	✓	✓

PEDAGOGICAL MODALITIES & CERTIFICATE ISSUANCE

▪ **Instruction Method:** Delivered by accredited senior industry professionals, focusing on real-world industrial cases.

▪ **Official Certification:** Accredited certificate of completion issued under government authorization N° 11-1372-15.

▪ **In-House Deployment:** Custom delivery on-site across your operational facilities or in our Tunis training center.

03 | SOLAR PHOTOVOLTAIC INSTALLATIONS

Solar PV Systems and Renewable Energy • Inter & In-House Training • Approved Center N° 11-1372-15

Course Designation	Duration	Inter	Intra
▪ Preparation of Tender Documents (RFP/BOQ) for Photovoltaic Solar Projects	3D	✓	✓
▪ Engineering, Design and Sizing of Grid-Tied and Off-Grid Solar PV Installations	3D	✓	✓
▪ Operation, Performance Monitoring and Preventive Maintenance of Solar PV Plants	3D	✓	✓
▪ Skilled Technician Training: Solar PV Assembly, Cabling and Mechanical Mounting	3D	✓	✓

PEDAGOGICAL FRAMEWORK & OBJECTIVES

▪ **Target Audience:** Engineers, senior technicians, technical managers, plant operators and project leads.

▪ **Methodology:** 60% practical case studies and hands-on simulation, 40% normative and theoretical review.

▪ **Validation:** Delivery of an official accredited certificate under CIPEM registration N° 11-1372-15.

TAILORED IN-HOUSE & CUSTOM SESSIONS

▪ **Tailored Syllabus:** Program customized to your equipment, technical standards and plant specificities.

▪ **Flexibility:** Sessions organized at your facilities or in CIPEM's fully equipped centers in Tunis.

▪ **Tax Incentive:** Fully eligible for corporate training tax deductions and official TFP credits.

04 | ELECTRONICS AND INDUSTRIAL INSTRUMENTATION — (Page 1/2)

P&ID Diagrams, Process Control and Instrumentation • Inter & In-House Training • Approved Center N° 11-1372-15

Course Designation	Duration	Inter	Intra
▪ Piping and Instrumentation Diagrams (P&ID): Reading, Interpretation & Symbol Standards	3D	✓	✓
▪ Process Instrumentation in the Oil & Gas Sector: Technologies, Standards and Applications	3D	✓	✓
▪ Introduction to Sizing and Selection of Industrial Control Valves (Cv / Kv Calculations)	3D	✓	✓
▪ Field Instrumentation Installation - Part 1: Pressure Transmitters and Gauges	3D	✓	✓
▪ Field Instrumentation Installation - Part 2: Level Transmitters (Radar, Ultrasonic, DP)	3D	✓	✓
▪ Field Instrumentation Installation - Part 3: Flowmeters (Coriolis, Magnetic, Orifice, Turbine)	3D	✓	✓
▪ Field Instrumentation Installation - Part 4: Temperature Sensors (RTD Pt100, Thermocouples, Thermowells)	3D	✓	✓
▪ Preparation of Technical Instrumentation Packages: Instrument Datasheets & Specifications	3D	✓	✓
▪ Safety & Isolation Valves: Pressure Safety (PSV), Shutdown (SDV), Blowdown (BDV) & Pressure Relief (PRV)	3D	✓	✓

PEDAGOGICAL MODALITIES & CERTIFICATE ISSUANCE

▪ **Instruction Method:** Delivered by accredited senior industry professionals, focusing on real-world industrial cases.

▪ **Official Certification:** Accredited certificate of completion issued under government authorization N° 11-1372-15.

▪ **In-House Deployment:** Custom delivery on-site across your operational facilities or in our Tunis training center.

04 | ELECTRONICS AND INDUSTRIAL INSTRUMENTATION — (Page 2/2)

P&ID Diagrams, Process Control and Instrumentation • Inter & In-House Training • Approved Center N° 11-1372-15

Course Designation	Duration	Inter	Intra
▪ Automatic Fire and Gas Detection & Suppression Systems (F&G) in Oil & Gas Facilities	3D	✓	✓
▪ Integrated Control & Safety Systems (ICSS) in Oil & Gas: DCS, ESD, F&G, PCS and SCADA	3D	✓	✓
▪ HAZOP Methodology (Hazard and Operability Studies) for Process Plants	3D	✓	✓
▪ Cause and Effect Matrix (C&E / Logic Matrix): Design, Verification and Operational Use	3D	✓	✓
▪ Industrial Electronic Boards: Fault Diagnostics, Soldering and Component-Level Repair	3D	✓	✓
▪ Electronic Circuit Board Design, Schematic Capture and PCB Layout	3D	✓	✓
▪ Fault Location, Insulation Testing and Repair of Instrumentation & Signal Cables	3D	✓	✓
▪ Profibus Industrial Network Integration and Control of Variable Speed Drives	3D	✓	✓

PEDAGOGICAL MODALITIES & CERTIFICATE ISSUANCE

▪ **Instruction Method:** Delivered by accredited senior industry professionals, focusing on real-world industrial cases.

05 | INDUSTRIAL MECHANICS AND MACHINERY

Power Transmission and General Mechanics • Inter & In-House Training • Approved Center N° 11-1372-15

Course Designation	Duration	Inter	Intra
▪ General Industrial Mechanics for Plant Operators and Technicians	3D	✓	✓
▪ Industrial Lubrication & Tribology: Lubricant Selection, Oil Sampling and Asset Life Extension	3D	✓	✓
▪ Applied Strength of Materials (RDM) in Mechanical Design and Structural Integrity	3D	✓	✓
▪ Maintenance, Alignment and Operation of Industrial Gearboxes and Shaft Couplings	3D	✓	✓
▪ Design, Sizing and Maintenance of Pulleys and Drums for Belt Conveyor Systems	3D	✓	✓
▪ Electric Drive Systems and Servo-Controls for Industrial Machinery	3D	✓	✓
▪ Conventional Milling Operations: Tooling, Machining Parameters and Workshop Practice	3D	✓	✓
▪ Fleet Maintenance Management: Optimization, Cost Control, KPIs and Operational Fleet Tracking	3D	✓	✓
▪ Diesel Engine Generators: Operation, Overhaul, Maintenance and FMEA Reliability Analysis	3D	✓	✓

PEDAGOGICAL MODALITIES & CERTIFICATE ISSUANCE

▪ **Instruction Method:** Delivered by accredited senior industry professionals, focusing on real-world industrial cases.

▪ **Official Certification:** Accredited certificate of completion issued under government authorization N° 11-1372-15.

▪ **In-House Deployment:** Custom delivery on-site across your operational facilities or in our Tunis training center.

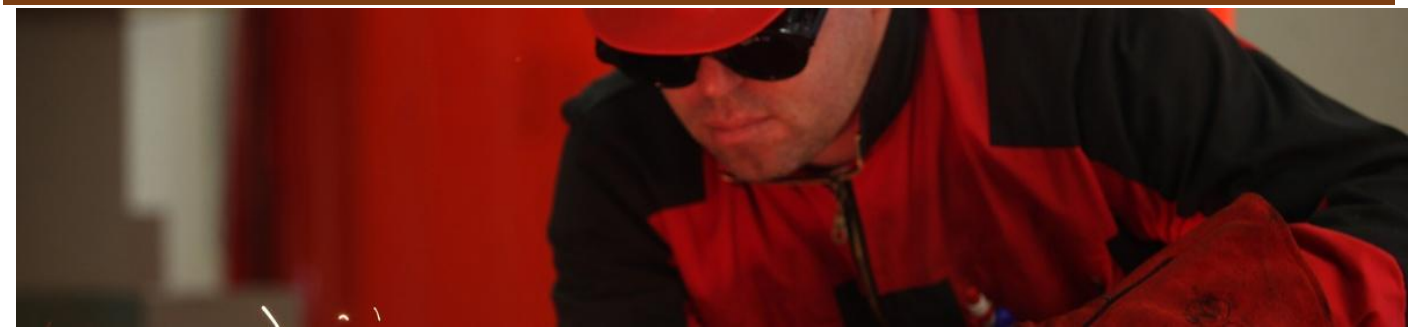
06 | WELDING AND FABRICATION

MIG-MAG, TIG, Arc Processes and Weld Inspection • Inter & In-House Training • Approved Center N° 11-1372-15



Course Designation	Duration	Inter	Intra
▪ Semi-Automatic Gas Metal Arc Welding (GMAW / MIG-MAG): Practice and Quality	3D	✓	✓
▪ Shielded Metal Arc Welding (SMAW / Stick Electrode): Welder Qualification & Practice	3D	✓	✓
▪ Practical Welding Techniques for Plant Maintenance Mechanics	3D	✓	✓
▪ HSE Risks and Safe Work Practices in Welding, Oxy-Fuel Cutting and Hot Work	3D	✓	✓
▪ Boilermaking Layout, Surface Development and Pattern Marking Techniques	3D	✓	✓
▪ Mitigating Plant Incidents caused by Corrosion, Scaling and Boiler Priming/Carryover	3D	✓	✓
▪ Sheet Metal Pattern Drafting, Layout and Marking for Heavy Fabrication	3D	✓	✓
▪ Welding of Stainless Steels, Duplex and Corrosion-Resistant Alloys	3D	✓	✓

PEDAGOGICAL MODALITIES & CERTIFICATE ISSUANCE

▪ **Instruction Method:** Delivered by accredited senior industry professionals, focusing on real-world industrial cases.

▪ **Official Certification:** Accredited certificate of completion issued under government authorization N° 11-1372-15.

▪ **In-House Deployment:** Custom delivery on-site across your operational facilities or in our Tunis training center.

07 | INDUSTRIAL HYDRAULICS AND PNEUMATICS

Hydraulic Circuits, Pneumatics and Regulation • Inter & In-House Training • Approved Center N° 11-1372-15

Course Designation	Duration	Inter	Intra
▪ Hydraulic Pumps: Operating Principles, Fluid Selection, Testing and Maintenance	3D	✓	✓
▪ Corrective and Preventive Maintenance of Industrial Pneumatic and Electronic Circuits	3D	✓	✓
▪ Operation and Maintenance of Pneumatic and Electro-Pneumatic Industrial Equipment	3D	✓	✓
▪ Air Compressors & Pneumatic Motors: Selection, Overhaul and Operating Reliability	3D	✓	✓
▪ Industrial Closed-Loop Process Control and Servo-Mechanism Regulation	3D	✓	✓
▪ Process Measurement Instrumentation: Calibration, Loop Checking and Commissioning	3D	✓	✓

PEDAGOGICAL MODALITIES & CERTIFICATE ISSUANCE

▪ **Instruction Method:** Delivered by accredited senior industry professionals, focusing on real-world industrial cases.

▪ **Official Certification:** Accredited certificate of completion issued under government authorization N° 11-1372-15.

▪ **In-House Deployment:** Custom delivery on-site across your operational facilities or in our Tunis training center.

08 | THERMAL SYSTEMS, ENERGY AND HVAC

Energy Efficiency, Air Conditioning and Refrigeration • Inter & In-House Training • Approved Center N° 11-1372-15

Course Designation	Duration	Inter	Intra
▪ Industrial Energy Conservation: Measurements, Energy Auditing and Action Plans	3D	✓	✓
▪ Advanced Capacity Building for Industrial Energy Managers (Energy Efficiency)	3D	✓	✓
▪ Practical Methodologies for Rational Energy Use and Decarbonization in Industry	3D	✓	✓
▪ Energy Management Dashboards and KPI Tracking for Commercial & Large Institutional Facilities	3D	✓	✓
▪ Boiler Feedwater and Steam Generator Water Treatment Technologies	3D	✓	✓
▪ Industrial Emission Monitoring, Flue Gas Analysis and Air Pollution Testing	3D	✓	✓
▪ Fundamentals of HVAC and Industrial Air Conditioning Systems	3D	✓	✓
▪ Industrial Fan Noise Analysis and Acoustic Attenuation Techniques	3D	✓	✓
▪ Ductwork Engineering, Air Distribution Design and Industrial Ventilation Sizing	3D	✓	✓

PEDAGOGICAL MODALITIES & CERTIFICATE ISSUANCE

▪ **Instruction Method:** Delivered by accredited senior industry professionals, focusing on real-world industrial cases.

▪ **Official Certification:** Accredited certificate of completion issued under government authorization N° 11-1372-15.

▪ **In-House Deployment:** Custom delivery on-site across your operational facilities or in our Tunis training center.

09 | CIVIL ENGINEERING AND INFRASTRUCTURE

Structural Design, Construction and Site Supervision • Inter & In-House Training • Approved Center N° 11-1372-15

Course Designation	Duration	Inter	Intra
▪ COVADIS Software: Topography, Digital Terrain Modeling and Infrastructure Design	3D	✓	✓
▪ Autodesk Revit Structure (BIM) - Comprehensive Levels 1, 2 & 3	3D	✓	✓
▪ Earthworks Inspection, Compaction Quality Control and Geotechnical Testing	3D	✓	✓
▪ Civil Infrastructure, Roadworks & Utility Networks (VRD): Design and Construction Supervision	3D	✓	✓
▪ Techno-Economic Feasibility and Cost Engineering for Civil Construction Projects	3D	✓	✓
▪ Construction Site Scheduling, Progress Monitoring and Critical Path Tracking	3D	✓	✓
▪ Computer-Aided Construction Site Management & Digital Project Tracking	3D	✓	✓
▪ Structural Concrete Pathology, Structural Integrity & Civil Asset Inspection	3D	✓	✓
▪ Reinforced Concrete Structural Analysis, Sizing and Eurocode Verification	3D	✓	✓
▪ Construction Project Supervision, Site HSE and Contractor Management	3D	✓	✓

PEDAGOGICAL MODALITIES & CERTIFICATE ISSUANCE

▪ **Instruction Method:** Delivered by accredited senior industry professionals, focusing on real-world industrial cases.

▪ **Official Certification:** Accredited certificate of completion issued under government authorization N° 11-1372-15.

▪ **In-House Deployment:** Custom delivery on-site across your operational facilities or in our Tunis training center.

10 | FIRE SAFETY AND PREVENTION

Loss Prevention and Firefighting Equipment • Inter & In-House Training • Approved Center N° 11-1372-15

Course Designation	Duration	Inter	Intra
▪ Fire Safety: Immediate First-Line Firefighting Response & Portable Extinguishers	3D	✓	✓
▪ Industrial Fire Safety: Second-Line Emergency Response Teams (ERT / Fire Brigade)	3D	✓	✓
▪ Staff Fire Risk Awareness, Evacuation Protocols and Basic Fire Response	3D	✓	✓
▪ Fire Safety Regulations in Public-Access Buildings: Specialized Industry Modules	3D	✓	✓
▪ Fire Safety Regulations & Standards for Small Commercial Establishments (Cat. 5)	3D	✓	✓
▪ Operation and Testing of Central Fire Alarm and Safety Systems (FAS / SSI)	3D	✓	✓
▪ Regulations and Management of Fire Protection Assets for Appointed Fire Safety Officers	3D	✓	✓
▪ Operation, Inspection and Maintenance of Technical Fire Protection Systems	3D	✓	✓
▪ Residential and Facility Fire Protection Codes: Regulatory Compliance and Best Practices	3D	✓	✓

PEDAGOGICAL MODALITIES & CERTIFICATE ISSUANCE

▪ **Instruction Method:** Delivered by accredited senior industry professionals, focusing on real-world industrial cases.

▪ **Official Certification:** Accredited certificate of completion issued under government authorization N° 11-1372-15.

▪ **In-House Deployment:** Custom delivery on-site across your operational facilities or in our Tunis training center.

11 | INDUSTRIAL MAINTENANCE AND RELIABILITY — (Page 1/2)

Preventive, Corrective Maintenance and CMMS • Inter & In-House Training • Approved Center N° 11-1372-15

Course Designation	Duration	Inter	Intra
▪ Operation and Maintenance of High and Low Voltage Transformer Substations	2D	✓	✓
▪ Precision Laser Shaft Alignment for Rotating Machinery (Pumps, Compressors, Turbines)	3D	✓	✓
▪ Field Installation, Mounting and Removal of Rolling Element Bearings	3D	✓	✓
▪ Practical Maintenance Welding for Shift Mechanics and Operators	3D	✓	✓
▪ Mechanical Maintenance, Refractory Inspection and Overhaul of Industrial Furnaces & Kilns	3D	✓	✓
▪ Preventive and Corrective Maintenance of Hydraulic and Pneumatic Systems	3D	✓	✓
▪ Vibration Analysis, Asset Condition Monitoring and Fault Diagnosis for Rotating Machinery	3D	✓	✓
▪ Fault Diagnostics and Troubleshooting in Industrial Hydraulic and Pneumatic Circuits	3D	✓	✓
▪ Weld Overlay, Hardfacing and Component Surface Restoration Techniques	3D	✓	✓

PEDAGOGICAL MODALITIES & CERTIFICATE ISSUANCE

▪ **Instruction Method:** Delivered by accredited senior industry professionals, focusing on real-world industrial cases.

▪ **Official Certification:** Accredited certificate of completion issued under government authorization N° 11-1372-15.

▪ **In-House Deployment:** Custom delivery on-site across your operational facilities or in our Tunis training center.

12 | LIFTING, RIGGING AND MATERIAL HANDLING

Safe Lifting Operations, Overhead Cranes and Forklifts • Inter & In-House Training • Approved Center N° 11-1372-15

Course Designation	Duration	Inter	Intra
▪ Forklift Truck Safe Operation: Novice Operator Certification (Category 3)	3D	✓	✓
▪ Forklift Truck Safe Operation: Novice Operator Certification (Categories 3 & 5)	3D	✓	✓
▪ Forklift Truck Safe Operation: Comprehensive Certification (Categories 1, 3 & 5)	3D	✓	✓
▪ Forklift Truck Safe Operation: Specialized Industrial Trucks (Category 4)	3D	✓	✓

PEDAGOGICAL FRAMEWORK & OBJECTIVES

▪ **Target Audience:** Engineers, senior technicians, technical managers, plant operators and project leads.

▪ **Methodology:** 60% practical case studies and hands-on simulation, 40% normative and theoretical review.

▪ **Validation:** Delivery of an official accredited certificate under CIPEM registration N° 11-1372-15.

TAILORED IN-HOUSE & CUSTOM SESSIONS

▪ **Tailored Syllabus:** Program customized to your equipment, technical standards and plant specificities.

▪ **Flexibility:** Sessions organized at your facilities or in CIPEM's fully equipped centers in Tunis.

▪ **Tax Incentive:** Fully eligible for corporate training tax deductions and official TFP credits.

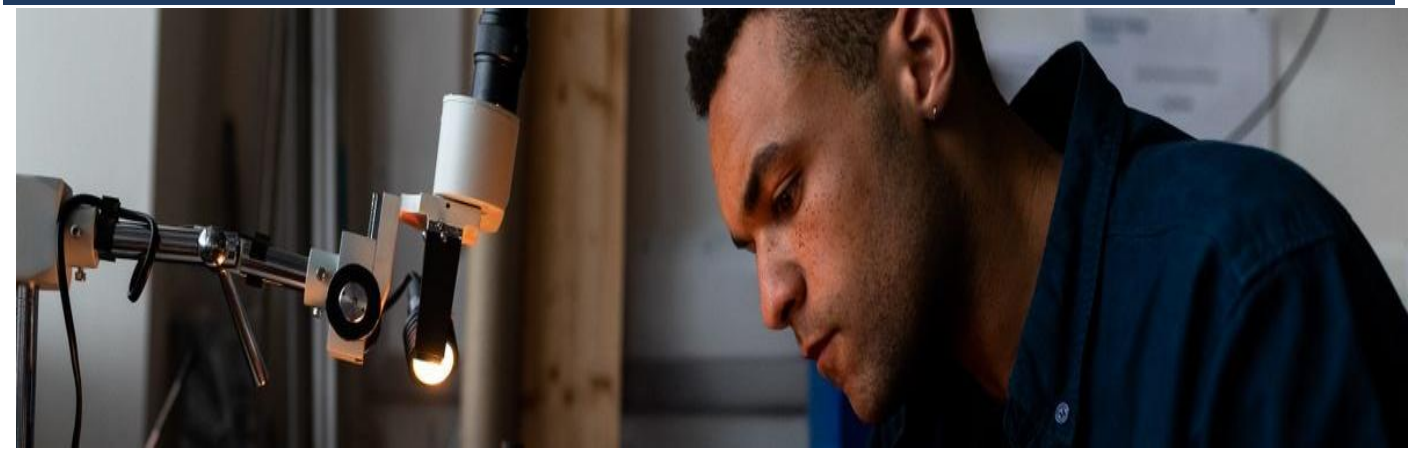
13 | AUTOCAD 2D / 3D DESIGN

Computer-Aided Design and Drafting (CAD / DAO) • Inter & In-House Training • Approved Center N° 11-1372-15



Course Designation	Duration	Inter	Intra
▪ AutoCAD 2D - Level 1 (Fundamentals): Technical Drafting & Engineering Layouts	3D	✓	✓
▪ AutoCAD 2D - Level 2 (Advanced): Dynamic Blocks, External References & Custom Templates	3D	✓	✓
▪ AutoCAD 3D - Level 1 (Fundamentals): 3D Solid Modeling & Mechanical Assemblies	3D	✓	✓
▪ AutoCAD 3D - Level 2 (Advanced): Advanced Surface Modeling, Plant Piping & Rendering	3D	✓	✓

PEDAGOGICAL FRAMEWORK & OBJECTIVES

▪ **Target Audience:** Engineers, senior technicians, technical managers, plant operators and project leads.

▪ **Methodology:** 60% practical case studies and hands-on simulation, 40% normative and theoretical review.

▪ **Validation:** Delivery of an official accredited certificate under CIPEM registration N° 11-1372-15.

TAILORED IN-HOUSE & CUSTOM SESSIONS

▪ **Tailored Syllabus:** Program customized to your equipment, technical standards and plant specificities.

▪ **Flexibility:** Sessions organized at your facilities or in CIPEM's fully equipped centers in Tunis.

▪ **Tax Incentive:** Fully eligible for corporate training tax deductions and official TFP credits.
